 EnerGuide FE Rating 57.3% (NG)
 56.7% (LP)

Standard Features

- * Realistic hand-detailed driftwood set and black glass media.
- * Black enameled reflective rear panel.
- * Durable ceramic glass viewing area.
- * Protective safety screen.
- * Clean face. Can be covered with non-combustible material for a minimalistic look.
- * Standing pilot system with battery operated ignition.
- * 140 C.F.M., variable speed, thermostatic circulating fan.
- * Stainless steel flex connector and 3/8" NPT gas shut-off valve.
- * ON/OFF remote control with timer function.
- * Highest quality of materials, components, and workmanship.
- * Limited Lifetime Warranty.

NOTE: SANTA MONICA standing pilot version operates without any electrical supply. Blower and Electronic Ignition System require electricity for operation.

Available Options:

- * Electronic ignition and remote control with built-in thermostat and flame height control.
- * Metallic brown face, air, and side panels.
- * Brushed 304 Stainless steel face.
